The Liberty Township Tea Party announces formation

Liberty Township, OH, July 13, 2009: The newly formed Liberty Township Tea Party announces their formation. The Liberty Township Tea Party is a grassroots, non-partisan, organization of private citizens united by our shared values and deep concern about excessive regulation and wasteful government spending.

We have three core beliefs:

- 1.) Fiscal Responsibility**
- 2.) Limited Government**
- 3.) and Free Markets.**

We were founded in the summer of 2009 with a desire to organize with like-minded individuals; with an interest to educate ourselves, and others, about significant current events that are negatively impacting our country and families; and with a commitment to work in concert with other concerned citizens to bring about positive, public policies that are consistent with our core values. We do not endorse individual candidates or specific causes. The Liberty Township Tea Party is a community group aligned with the Cincinnati Tea Party organization.
